

CANSTRUCTION 2010

Dear Friends,

CANSTRUCTION is a national competition where design teams create structures made entirely from canned goods. At the close of the exhibition all of the food used in the structures is donated to local food banks.

This year, Saccoccio & Associates Architects is teaming with DiPrete Engineering, WEEI FM and the RI Young Constructors Forum to "Mini-mize" hunger at the 2010 **CANSTRUCTION** event.

Our team will be constructing a mini-cooper out of cans to 'Mini-mize' hunger. Help support the **RI FOOD BANK** and participate in one of our sponsorship levels:

- Breakfast:** \$100 Company name on our website
- Lunch:** \$250 Company name on our website
Name on our team shirt
- Dinner:** \$500+ All of the above plus your company name on our sponsor board

If you choose to participate in one of our sponsorship levels, please make your tax deductible donation out to RI Food Bank and send to:
